B2B Economic Outlook - UK

“Although the UK leaving the EU has created uncertain times, albeit one with opportunities, a longer running issue has been that of productivity levels. Relatively low levels of investment and R&D spending have driven this stagnation and future economic policies must focus around these and ‘upskilling’ the UK workforce.” ...

Accounting and Financial Management - UK

“The UK accounting and financial management market is expected to demonstrate consistent growth over the next five years, with annual growth levels expected to fluctuate between 3% and 4% in real terms. While the uncertain economic environment is set to continue to present challenges, it will also provide opportunities for ...

Commercial Banking and Finance - UK

“Despite the banking and lending landscape undergoing a period of change, the emergence of new challenger banks and lenders is unlikely to lead to the disappearance of big banks. Instead, more acquisitions and partnerships between larger banks and new entrants are likely to provide the best range of banking and ...

B2B Insurance - UK

“The profit margins of UK B2B insurers remain under pressure due to intense competition and unfavourable claims trends. The rate increases achieved in some lines of business have been offset by higher claims and the IPT remaining at its current, relatively high rate. Furthermore, investments continue to provide only marginal ...
