Supermarkets - UK

“The supermarket sector is growing once more, but this growth has not been enough to stem the tide of spending moving away from large-format stores. This decade has seen unprecedented change in both how grocery shoppers behave and how the sector is structured. Consolidation, on both the retail and supply ...

Consumers and the Economic Outlook - Quarterly Update - UK

“Financial well-being and confidence was lower in each of the three months to October than we reported throughout the summer months. This matches the stagnant economic performance in August and September. Overall though, most consumers are still getting by, and remain relatively optimistic about their financial future.”
