Consumers and the Economic Outlook - UK

“Concern over the impact of Brexit is more severe than at any other time since Mintel started tracking this measure, including the initial shock in the immediate aftermath of the vote. Theresa May’s withdrawal agreement was the first glimpse of anything resembling certainty since Article 50 was triggered in March ...

Household Paper Products - UK

“While there appear to be opportunities for further growth within the kitchen roll segment, there is still a prevailing attitude among consumers that it is an area on which they can cut spend. It is not that consumers do not see a difference between expensive and budget products, but that ...
