Fleet Services - UK

“The fleet services sector continues to develop innovative mobility solutions to meet market demand for reduced costs in a regulatory environment that penalises emissions. With recent taxation changes, transitioning to electric vehicles has become a cost-cutting opportunity that the sector’s expertise and intermediary position is primed to deliver. On the ...

Security Equipment, Access Control and CCTV - UK

“Despite intense international competition and persistent headwinds in the form of Brexit and slowing global growth, the UK security equipment sector grew for a second consecutive year. The sector has benefited from a focus on reimagining existing products in line with a society that values connectivity.

B2B Economic Outlook - UK

“Although the UK leaving the EU has created uncertain times, albeit one with opportunities, a longer running issue has been that of productivity levels. Relatively low levels of investment and R&D spending have driven this stagnation and future economic policies must focus around these and ‘upskilling’ the UK workforce.” ...
