Health Supplements - China

“Parents have the intention to purchase health supplements for their children, especially probiotic supplements. Brands should develop a professional and international brand image to earn consumers’ trust, particularly since e-commerce is emerging. Enhancing product options and innovations is also important to attract consumers.”

Attitudes towards Sports Nutrition - China

“The Chinese sports nutrition market is still in the very early stage, not as mature as the Western markets. Consumers lack knowledge about sports nutrition. Manufacturers can penetrate the market by targeting mainly sports professionals and lovers. With growing knowledge of sports nutrition and professional level of doing sports/exercise ...
