Sports & Outdoor Fashion - UK

"Due to a larger focus on health and wellness, as well as the popularity of trainers, the sports and outdoor fashion retail market has fared well in 2018, somewhat shielded from the troubles that hit the general retail sector in the year. This year has seen even more non-specialists entering ...

Childrenswear - UK

"The childrenswear sector is faring well due partly to a growing population of children in the older age groups (10-14-years-old) and a growing interest in fashion-led clothing for children and teens. However, while clothing specialists and supermarkets are flourishing in the childrenswear space, specialist childrenswear retailers are struggling. The large ...

Consumers and the Economic Outlook - Quarterly Update - UK

"Financial well-being and confidence was lower in each of the three months to October than we reported throughout the summer months. This matches the stagnant economic performance in August and September. Overall though, most consumers are still getting by, and remain relatively optimistic about their financial future."

– Rich ...

Clothing Retailing - UK

"The UK clothing market is going through a dramatic period of change. Online is not only capturing a greater share of consumer spending, but it is also highly influential in what consumers are choosing to buy – no matter where they are making the final purchase. Whilst the online-only retailers ...
