

Alternative Retirement Strategies - UK - September 2011

Report Price: £1750 / \$2837 / €1995

“Alternative retirement strategies are not typically regarded as a replacement to traditional pension-based savings, but as a way of providing additional income and greater flexibility for those saving for retirement.”

– **Deborah Osguthorpe, Senior Financial Services Analyst**

In this report we answer the key questions:

- What motivates people to save for their retirement outside a pension?
- To what extent do alternative retirement savings compete with pensions?
- Why are people turning to alternative retirement savings vehicles?
- Can alternative retirement products help to bridge the gap in retirement savings?
- What do people look for from retirement saving products?

Your business guide towards growth and profitability
