

Commercial Mortgages - UK - July 2016

Report Price: £995.00 | \$1611.35 | €1263.96

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

“In the wake of the EU referendum decision, some lenders have stated that it remains too early to announce any changes to their respective mortgage offerings, while others have already changed their rates.”

– Lewis Cone, B2B Analyst

This report looks at the following areas:

- How has the UK's decision to leave the EU already affected the market? What further consequences lie ahead?
- Which other factors have influenced development?
- How has commercial property investment changed over recent times?
