“The autumn seasonal events continued to rise in value during 2016, in line with the fairly positive consumer sentiment and willingness to spend.”

– Alice Goody, Retail Analyst

This report looks at the following areas:

- Marketing to dads
- Opportunities for value growth in back-to-school
- Halloween beauty retail boost

This Report covers the autumn events of back-to-school, Halloween and Bonfire Night. The value of the seasonal events continued to rise in 2016 (by a combined 6.2%), as major political events which occurred during the year appeared to have little direct impact on consumers' own financial situation and willingness to spend.
