

Luxury Cars - US - October 2017

Report Price: £2982.01 | \$3995.00 | €3381.30

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

"Luxury brands will need to gain market share for growth in a stagnant market, and Millennials will be the key demographic for success. Brands will need to not only compete with each other but also compete with entry-level brands as they become increasingly sophisticated and advanced driver safety systems gain widespread adoption across all brands."

- Buddy Lo, Automotive Analyst

This report looks at the following areas:

- Luxury auto market landscape
- Car shoppers most likely to consider a luxury vehicle
- How the top luxury brands perceived by consumers
