

## Commercial Property - UK - June 2018

Report Price: £995.00 | \$1343.55 | €1119.77

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

“The short-term outlook for the UK commercial property market remains cautiously optimistic, with growth of 1% in real terms predicted for 2018. However, there is some disparity between major sectors, with industrial and alternative assets expected to outperform, while sentiment in the retail sector continues to weaken.”

– **Claudia Preedy - B2B Analyst**

This report looks at the following areas:

- How have key sectors of the commercial property market performed over the last few years?
- Who are the biggest investor types in the key sectors of the commercial property market?
- Which sectors of the market are most attractive to investors?
- Where is the market headed?
