

Loyalty in Financial Services - UK - October 2019

Report Price: £2195 | \$2995 | €2600

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

This report looks at the following areas:

- Building brand loyalty is particularly challenging for new banks
- How can insurers improve customer loyalty?

“Financial companies need to maintain high standards of customer service, offer convenient and reliable access points and address any problems quickly and fairly. They also need to reward customers for their loyalty, in a way that is meaningful and shows them they are appreciated.”

– Sarah Hitchcock, Senior Financial Services Analyst

Table of Contents

OVERVIEW

- What you need to know

EXECUTIVE SUMMARY

- The market
- Open Banking has introduced more choice and competition
- Incumbents are responding to the digital challenge
- Not all newcomers will survive
- Fostering 'true' loyalty in the more commoditised insurance markets is difficult
- Pricing models typically used by insurers do not help the problem
- Companies and brands
- 86% of UK adults are customers of one of major banking groups

Figure 1: Brand customer share shown on a group basis (top eight banking groups only), July 2019

- More than a quarter of UK adults are customers of a mid-sized challenger or supermarket bank
- Nationwide stands apart in the building society sector
- Digital banks are attracting customers but struggle to turn a profit
- Barclaycard is the leading credit card specialist
- Aviva is ahead of its rivals in the insurance sector

Figure 2: Brand customer share – insurance companies, July 2019

- The consumer
- The average person is a customer of five different financial companies
- The major retail banks are best at cross-selling

Figure 3: Top 15 financial companies with highest ratio for multiple product holdings, July 2019

- Trust is multi-faceted

Figure 4: Top 15 financial companies with highest ratio for trust, July 2019

- Supermarket banks are best at rewarding loyalty

Figure 5: Top 15 financial companies with highest ratio for rewarding loyalty, July 2019

- Insurers generally have shorter customer tenures

Figure 6: Top 15 financial companies with highest ratio for 5+ years tenure, July 2019
