### Jewellery & Watches Retailing - UK

"The UK jewellery and watch market looks set to become increasingly challenging. Prices are rising and domestic demand is softening as a result. Growth in the market is being driven by sales of luxury watches amongst tourists taking advantage of a weak Sterling. However, one in four UK consumers plan ...

### Fashion Technology & Innovation - UK

"The most successful fashion retailers will be those that use the latest technology cleverly to enhance the shopping experience and to tap into changing shopping behaviour. By balancing the increasing automation of retail, with consumers showing a high level of interest in self-service tills and digital screens in-store and chatbots ...

### Consumers and the Economic Outlook: Quarterly Update - UK

"The snap election clearly unsettled consumers. All three of our measures of sentiment fell between April and May. And the inconclusive result means that there was no immediate bounce in confidence post-election. Instead, our data shows that people were even more concerned after the results were announced than they were ...

### Department Stores - UK

"Department stores are having to justify their raison d'être and are seeking to adapt to the changing dynamics of the marketplace. The main players in the market have recognised a need to focus on experiential retail in response to growing demand for leisure and experiences over purchasing of products. They ...
