

March 2012

Motor Insurance - UK

“Interest and awareness in telematics-based motor insurance will increase during the next 12 months. Whether or not this type of policy can transfer to the mainstream will depend largely on how well the industry resolves issues surrounding data usage.”

Consumers and The Economic Outlook - Quarterly Update - UK

The report includes an overview of the changes in household well-being over the last three years, a breakdown of planned and recent spending, and consumers' assessment of how well they manage their money. Free to Mintel Oxygen subscribers, the report is the third in an ongoing series of quarterly updates ...

February 2012

Travel Insurance - UK

“Although the travel insurance market has performed relatively well, especially considering the wider economy and holiday trends, there is still room for improvement. Competition on price and the high number of policies available has made it more difficult to compare the quality of cover, leaving some consumers with the wrong ...
