Balkans Outbound - Balkans

The Balkan countries have undergone a substantial period of progress since the late 1990s, as governments embraced capitalism, leading to lower unemployment and wage increases. For the time being, owing chiefly to the global financial crisis, the outlook for the Balkans' outbound sector looks fairly weak. With the region facing ...

High-end Vacation Destinations - US

As noted in Mintel's *Leisure Travel—U.S., June 2009*, the leisure travel market declined considerably in 2008 and the first two quarters of 2009 as a result of recessionary pressures. However, the cost of travel declined between March 2008 and 2009, and this has created a context in which affluents ...
