DIY Retailing - Europe

It is dangerous to generalise about the DIY market across so many different countries. At present almost all share the problems of coping with the deepest recession since the war.

March 2010

DIY Retailing - UK

The DIY market has been hard hit by the recession because it has come on top of a declining trend that has been evident for the last five years. Nor is there any short term prospect of recovery. Consumers' incomes are likely to be squeezed both this year and next ...
