### Natural and Organic Personal Care Products - US

This report explores the NOPC market and includes insights on how this market is evolving. The market has the potential to be far larger than it currently is, stifled by a lack of clear industry standards surrounding the very definition of "natural" and "organic" personal care. The resulting consumer confusion ...

#### **Beauty Retailing - US**

The color cosmetics and facial skincare shopping experience in the US can leave women overwhelmed by choices from brand lines to retail channels. While pricepoint serves as a baseline for most beauty purchases, the desired retail experience is more elusive to define. This report looks at the way women shop ...

### **Disposable Baby Products - US**

This report examines the market for disposable baby products including diapers, training pants, wipes/moist towelettes, as well as cleansing and care products. Using sales data along with Mintel's proprietary GNPD, results from the Experian Simmons NCS/NHCS, and Mintel's exclusive consumer survey, Mintel analyzes the increasingly competitive disposable baby ...

### Anti-aging Skincare - US

The US anti-aging skincare market is enjoying solid and at times robust growth in 2010, buoyed by a consumer base that is in large part unwilling to give up such products despite the current economic recession. While a number of consumers appear to be trading down to less expensive brands ...

Beauty and Personal Care -USA

The market for facial skincare has experienced steady growth since 2004, albeit slower since 2007, with sales struggling a bit due to the weak economy and recession. Anti-aging facial skincare products continue to be the fastest-growing segment of the facial skincare market, and remain ahead of cleansers as the largest ...
