### **Saving Products for Children - UK**

“The closure of Child Trust Funds is likely to disrupt the children’s savings and investing market, particularly in the short term. However, Junior ISAs have the potential to invigorate the market and are likely to become one of the most popular products in the future. In order for this to ...

### **Consumer Attitudes towards Green and Ethical Finance - UK**

“The most committed consumers just don’t trust most financial services firms to behave ethically, and the more interest they take in ethical issues, the greater the level of mistrust is. Of more than a dozen mainstream financial services brands, there were only two that were, on balance, more trusted than ...

### **Consumers and The Economic Outlook - Quarterly Update - UK**

The report includes an overview of the changes in household well-being over the last three years, a breakdown of planned and recent spending, and consumers' assessment of when the feelgood factor will return to the economy.
