Consumers and the Economic Outlook: Inc Impact of COVID-19 - UK

“The November lockdown of England will bring the already fragile economic recovery to a sharp halt. The Office of Budget Responsibility expects the UK’s economic output to fall by 11.3% over the course of the year, before growing by 5.5% in 2021, and finally recovering to pre-COVID levels ...

Consumers and the Economic Outlook: Inc Impact of COVID-19 - UK

“The UK is in the midst of its deepest recession on record. However, the recovery has already started, with monthly GDP growth in May and June. However, the winding down of state support for businesses presents renewed threats that could derail the recovery and is expected to lead to significant ...

Consumers and the Economic Outlook: Inc Impact of COVID-19 - UK

“COVID-19 has had a profound impact on British consumers and businesses, shutting down major sections of the economy and having a serious effect on job security. As a result, consumer confidence has taken a dive, while concerns about the impact of Brexit have spiked as people consider the implications of ...

March 2020

Consumers and the Economic Outlook - UK

“The UK left the EU with consumers still expecting Brexit to have a negative overall effect, but with much more positive views than in previous months. The clarity

Health and Hygiene -

provided by the General Election and delivery of Brexit, continued high employment and above-inflation wage rises, have combined to pushed Mintel's consumer ...

February 2020

First Aid - UK

“The value of the first aid category has fluctuated in recent years and is estimated to show significant decline in 2019 due to reduced NPD and competition from the private label sector. Future growth will come from brands offering consumers added value propositions, as well as engaging with them using ...
