Consumers and the Economic Outlook - UK

“Brexit has been delayed again. The public faces a Christmas general election. And the economy narrowly avoided a recession in September. It is no wonder, then, that consumer confidence has taken a hit. However, financial well-being is holding up and the vast majority of people think they’ll be OK in ...

Small Business Banking - UK

“The success of small business banking is closely linked to the success of small businesses themselves. In this regard, Brexit poses serious challenges as many small businesses will find it more difficult to operate after Brexit, especially if the UK leaves on No Deal terms. However, Brexit also offers an ...

Consumers and Current Account Switching - UK

“Brand familiarity remains a key factor in the choice of main current account provider. However, multi-account ownership is growing and customers using more than one account are less wedded to established brands for their additional accounts. Tools which help people make the most of their money and Open Banking partnerships ...
