### Cannabis in Food and Drink - US

"Channels for food and beverage with cannabis as an added ingredient have opened doors that the quintessential "special" brownie never dreamed of, but legal restrictions still constrain how high edibles and drinkables can fly. On-premise options are limited, and distribution is still intra-state only; but creative chefs and entrepreneurs have ...

### Building the Ultimate Dispensary: Cannabis Retailing - US

"Cannabis retail is a complex hybrid of medical and recreational products (and consumers) sometimes all occurring under one roof. Matters are further complicated by varied state and local regulations and taxation, forcing each dispensary into somewhat of a niche space. The paradox, however, is that overarching themes, issues and opportunities ...

### The Recreational Cannabis Consumer - US

"As of October 2019, two additional states have legalized cannabis for adult recreational use, Michigan and Illinois, bringing the total number to 11 states and the District of Columbia. Statewide initiatives for legalization and expectations for the sales potential of cannabis are getting a lot of attention, yet the market ...

### Consumers and the Economic Outlook - US

"The majority of consumers consider their finances to be healthy, and views of the future seem to be positive as well. Consumers are saving for the future, but are still willing to treat themselves."
