Books and e-books - UK

"The UK consumer market for books and e-books is expected, for the first time in many years, to show an increase in value in 2013, as a result of the boost to sales which has been provided by the growth in sales of e-books. This growth has more than compensated ...

Sports Participation - UK

"The biggest issue facing the sport participation market post-London 2012 is the question of 'what next?' The Olympic Games – and Team GB – have created much sustained positive sentiment around sport, but that will not last forever and needs to be tapped fairly quickly to get new participants ...

August 2013

Music Concerts and Festivals - UK

"In the longer term, it is easy to see how, if a promoter is able to set up a transactional website to take crowdfunded pledges of payment, they could bypass the ticketing agents and having to pay a cut to them, potentially increasing their revenues and profitability as a result ...

July 2013

Sports Goods Retailing - UK

"The sports goods retailing market is heading into a period of potentially significant change as the major chains look to step into the gap left by the collapse of JJB, the independent sector attempts to reverse long-term trends of steady decline and brands themselves begin to take control of their ...
