

December 2013

Consulting Engineers (Industrial Report) - UK

"There are now tentative signs of more favourable market conditions for UK consulting engineers, which have been negatively affected by the economic downturn in recent years. The rail sector continues to offer strong growth potential through major projects, such as Crossrail."

November 2013

Aerospace Industry (Industrial Report) - UK

"The UK aerospace industry is the second largest aerospace industry in the world, behind the US. The civil aerospace sector is expected to continue to drive the UK aerospace industry, boosted by increased demand for new aircraft from emerging markets in Asia."
