### Travel Money - UK

"Spending abroad by UK residents is expected to surpass pre-pandemic levels in 2023. This will primarily be due to rising costs and inflation with the number of holidays remaining below 2019 and the business travel segment having adapted to virtual meetings. Travellers will be looking for locations where their money ...

### Credit Monitoring - UK

"Amid a challenging economic climate, some consumers are worrying about their credit scores as many are seeing their household budgets squeezed. This could further boost engagement with credit monitoring services. However, myths about credit scores and reports continue to persist, and providers should continue to focus on tackling these to ...

### Personal Loans - UK

"Personal loans lending has gradually recovered from the impact of COVID-19 but remains below pre-pandemic levels. The rising cost of living provides a new challenge for lenders, as a cautious consumer mindset and rising interest rates will dampen demand for new loans throughout 2023."
