### Books and e-books - UK

“In order to solve the problem of men’s lower reading rates a cultural shift is necessary, with books specifically highlighted as a worthy pastime for young boys starting from primary school and continuing onwards into secondary education. This would need to be accomplished through idolised cultural icons or sporting heroes ...

### Music and Video Purchasing - UK

“Blu-ray discs have no niche to fill. Had digital streaming or transmission services not evolved so quickly, Blu-ray would have been the natural successor to DVD; high quality physical content, slowly becoming the de facto industry standard. However, the next quality barrier has already reached the market – 4K – ...

### Regional Newspapers - UK

“Ironically, given that it might be expected to be more difficult to find local/regional news for free than it would be to find national news for free, there appears to be more resistance among consumers to paying for local/regional online content than for national content.”

– Michael ...

### Consumers and The Economic Outlook - Quarterly Update - UK

“Although people are still more confident than they were in 2013, Mintel’s data suggests that they’re not entirely convinced by the economic revival. Across all three key measures (current situation, impact of the slowdown and how they expect their finances to fare over the next year), sentiment was slightly more ...
