Healthy Dining Trends - US

"Americans' attitudes toward healthy dining are continuing to evolve as diners seek a balanced approach focused on wholesome, real ingredients rather than low-calorie options. While this interest in fresh ingredients is universal, diners' dietary preferences are growing more diverse, reflective of their life stage and personalized nutrition needs. Younger generations ...

Convenience Store Foodservice - US

"C-store foodservice sales reached an estimated \$39.2 billion in 2018, up 33.2% from 2013. While c-store foodservice experienced strong growth in the past, Mintel forecasts growth will start to slow, with sales reaching an estimated \$48.1 billion by 2023."

Fast Casual Restaurants - US

"The fast casual restaurant segment continues to experience steady sales growth fueled by diners' interest in high-quality ingredients and better-for-you menu options in an accessible format. However, as restaurant segments blur with full service restaurants offering more convenient ordering options and fast food restaurants offering more premium ingredients, fast casuals ...

Full Service Restaurants - US

"The massive and influential FSR (full service restaurant) segment demonstrates moderate sales growth overall, though it's losing slight share year-over-year to the limited service sector and other growing threats, such as retail prepared foods. Within this segment, casual dining and midscale chains are seeing the greatest challenges when it comes ...

Consumers and the Economic Outlook Q1: Defining Financial Success - US

"The US economy continues its slow upward trajectory, even as discussion of tariffs and trade discussions cause the stock market to fluctuate a great deal. US unemployment – already at extremely low levels – decreased further in October of 2018, while labor force participation remained steady. Despite a slight dip ...

Snacking in Foodservice - US

"Americans love to snack, with increased usage being driven consumers' busy schedules, interest in health, and eating on-the-go. This represents a robust opportunity for operators to cater to this eating occasion by offering craveable, affordable, and portable options. LSR (limited-service restaurant) operators are in an excellent position to capitalize on ...
