### Consumers and the Economic Outlook - Quarterly Update - UK

“The increase in confidence that we discussed in Consumers and the Economic Outlook – UK – March 2018 clearly wasn’t a one-off. Our confidence data has been running for almost a decade now, and people’s assessments, both of their current financial situation and how they expect their finances to shape ...

### Attitudes towards Lunch Out-of-home - UK

“The convenience of quick meals is a key driver for the lunch-to-go market amongst time-poor consumers. Operators should also consider the grey pound as a good long-term growth driver for leisurely eating out occasions, led by Baby Boomers who are more inclined to sit down for a lunchtime meal.” ...

### Pub Visiting - UK

“Millennials are particularly likely to view pubs as all-round leisure experiences and are receptive to new and more unusual forms of entertainment. The difficulty for landlords will be to cater for these more open-minded pub-goers while also meeting the needs of more traditional patrons who tend to see the pub ...

### The Leisure Outlook - Quarterly Update - UK

“Consumers cut back on spending and put more focus on their health at the start of the year. As we approach summer peoples’ priorities appear to be shifting. A quality over quantity mind-set is still apparent but intention to spend on drinking and dining out is on the rise. Leisure ...

### Pub Catering - UK

“Eating at pubs is an affordable treat which should not be badly impacted in a consumer downturn, providing pub operators continue delivering excellent service as well as high quality yet affordable meals. In addition, pubs that make the most of non-traditional meal times can maximise profits coming from younger consumers ...
