## Consumer Payment Preferences - UK

“Contactless card payments have accelerated due to the pandemic and the increase in transaction limits. Despite cash usage declining significantly, it will continue to play an important role for the foreseeable future with consumers prioritising familiarity. For younger consumers, speed is the key consideration for payments and there is more ...

## Home Insurance - UK

“The UK home insurance market is at an inflection point. After years of stagnation, the value of gross written premiums is trending upwards. The significant rise in inflation over the last year is increasing the cost of claims, and in the process average premiums. Meanwhile, new regulation on premium pricing ...
