B2B Economic Outlook - UK

“The government has said that it is committed to a “green” Brexit and to maintaining environmental standards. The government is also expected to remain committed to the EU’s renewables generation targets and carbon emission reduction targets. Therefore energy and environmental policy is unlikely to change post-Brexit. That means it will ...

Residential Windows and Doors - UK

“2018 was a particularly difficult year for the residential doors, door frames, windows, window frames and conservatories sector. While new build activity is boosting demand the companies serving this sector tend to be different ones from serving the replacement market where there was particular disruption with the emergence (and subsequent ...

Construction - UK

“Construction is notoriously cyclical, but there are many factors influencing individual sectors and their cycles do not coincide with each other. To date, Brexit is impacting demand for commercial construction more than industrial construction, while public sector activity is more reliant on government policy, and housing remains buoyant.”
