### June UK Retail Briefing - UK

"A combination of inflationary pressures has seen households warned to expect the worst hit to real incomes since comparable records began 30 years ago, with further price hikes expected when the energy cap is next revised in October 2022. Significantly, these pressures will not affect all households equally, with lower-income ...

### May UK Retail Briefing - UK

"Households have been warned to expect the worst hit to real incomes since comparable records began 30 years ago due to rising inflationary pressures. Significantly, these pressures will affect not all households equally, with particularly lower-income consumers set to disproportionately suffer, further exacerbating the polarisation of demand seen across retail ...

### April UK Retail Briefing - UK

"Many online-first D2C success stories of recent years are now looking to take on physical space. The Ordinary, Peloton, Gymshark, Castore are all brands that have opened space in recent years. Much of this space is 'flagship-esque' and, as such, will not solve vacancy issues within suburban or rural areas ...
