#### Wine - Canada

"Wine as a category in Canada continues to grow. Its relatively positive perception on health and its popularity among older consumers means it's wellpositioned as Canadians remained focused on living healthily without sacrificing on the things they love, in the face of an aging population. The challenge for wine makers ...

### Better-for-you Snacking - Canada

"Virtually all Canadians are active snackers, enjoying snacks throughout the day as the act of snacking is seen as part of a healthy lifestyle. Canadians prioritize keeping healthy snacks on-hand and are driven to do so to satisfy cravings, no matter the time of day. Attitudes reflect that snacking is ...

### **Cooking Enthusiasts - Canada**

"It can be said that Canadians know their way around a kitchen given that virtually all Canadians (97%) claim to have at least a minimum of basic cooking skills. Although the activity is one that most enjoy, time constraints and logistical considerations lead half the population to see the task ...
