Residential Windows & Doors - UK

"2020 was a year of contrasting fortunes emanating from the pandemic. Pent-up demand, particularly in the repair, maintenance and improvement (RMI) sector, propelled demand in 2021, and while 2022 started briskly, the mounting issues of rampant inflation, consumer confidence and at the same time cost price increases are repeating the ...

B2B Economic Outlook - UK

"One of the biggest challenges facing the economy is a surge in inflation. Rising inflation was widely expected to be transitory when global economies reopened in 2021. However, the conflict in Ukraine sent energy prices spiralling, which has raised long-term inflation expectations and increased uncertainty about the post-COVID-19 economic recovery ...

Construction - UK

"The construction market, covering a variety of end use markets, has shown major variation in demand firstly with Brexit and then COVID-19. Extreme changes in demand were seen in for example the private housing RMI sector during the pandemic but the buoyancy of demand in 2020 is now strongly challenged ...

Electrical Wholesalers - UK

"Prospects for the electrical wholesale market are set to remain highly competitive, compounded by increased competition from online and multichannel retailers.
