European Retail Forecasts - Europe

European Retail Briefing is a monthly briefing providing news and analysis that includes company results, store openings, cross-border moves, M & A activities, executive changes and property developments. Additionally each month, European Retail Briefing focuses on a key issue or specific European retail sector. The month's retail news is ...

European Retail Handbook - Europe

This is the 16th edition of the European Retail Handbook. Like its predecessors, it is designed to provide the essential background information to understanding the retail scene in each European country. We cover 36 countries, the smallest of which is Luxembourg with just 500,000 people, around half of which ...

Luxury Goods Retailing - International

This report differs from other Mintel retail titles in that it looks primarily at companies involved in design, manufacturing and distribution, rather than traditional retailing. However, many luxury houses are increasingly focusing investment on directly-operated stores in favour of wholesaling to third party distributors. But the reported revenues from these ...
