Meat Free Foods - UK

Three in five UK adults now eat meat-free food, according to consumer research for this report. However, only 6% of adults identify themselves as vegetarians, this share remaining broadly stagnant in recent years. Demand from people eating both meat and meat-free foods, has been a key factor supporting underlying growth ...

Cooking Sauces - UK

Estimated to reach £833 million in 2010, the cooking sauces market has experienced sales growth of 31% between 2005 and 2010. Around three quarters of consumer use cooking sauces, with cook-in sauces the most popular, used by four fifths of consumers over the past 12 months. Innovation has focused on ...

November 2010

Barbecue Foods - UK

Two in three adults ate food cooked on the barbecue in summer 2010, with some 120 million barbecue occasions fuelling estimated sales of barbecue foods of some £1.7 billion in 2010. The market has posted healthy growth in recent years, helped by better weather, still a key driver of ...

Food Retailing - UK

2009 was a relatively quiet year for the major food retailers, insofar as any year could be said to be so for companies that are so large and so dominant not just in their own sector, but in UK retailing as a whole. After the campaign of vilification in the ...

October 2010

Organic Food - UK

This report covers the UK retail market for organic food produced according to organic principles and standards. This includes fruit and vegetables, meat and poultry,

Children's Packed Lunches - UK

This report examines the dynamics of the children's packed lunch sector, and the key products involved in the market. The healthy eating message is now an intrinsic part of the primary school curriculum and children are being taught about the benefits of a healthy and balanced diet.

Dieting and Weight Control Foods - UK

- Low fat/calorie foods with added health benefits would appeal to the over 45 year olds who form the core of the weight control foods market. These consumers are more likely to be looking to change their diet to improve their health.
- As men are more likely to agree that ...

Bottled Sauces - UK

This report examines the UK retail market for ready-to-eat bottled sauces. These are generally added to a meal at the table as an accompaniment, although they can also be used as an ingredient in cooking. The market can be segmented into table sauces and dish-specific sauces.

Red Meat - UK

This report examines the UK market for red meat sold through retail outlets for consumption at home.
