February 2014

Road Haulage (Industrial Report) - UK

"The anticipated increase in demand from passengers together with growth in the rail freight sector will put additional strain on the UK's rail system over the coming years, with the network already nearing its capacity limits. Thus continued investment in the rail infrastructure will be necessary over the coming years. Investment will also be supported by government plans to ...

January 2014

Fleet Services (Industrial Report) - UK

"Strong residual values and improved economic conditions in 2013 imbued fleet managers with a greater sense of confidence in the recovery than before and this was manifest as replacement cycles appeared to dip with the age of used fleet cars sold falling through the year."
