Mortgages - UK

“Mortgage lending fell in 2020 as the housing market was distorted by lockdowns and the stamp duty holiday. The market was also disrupted by lenders being forced to embrace working from home, and the technical and financial challenges of implementing payment holidays. Mortgage availability has been improving as vaccines have ...

Consumer Attitudes towards Investing in Property - UK

“Unprecedented levels of savings have been accumulated during the pandemic by high-income households, which are key for growth in this sector. Potential investors see COVID-19 permanently changing the housing market, but also creating new prospects to invest. Seizing the right opportunity is the main motivator to invest in property, which ...
