B2B Economic Outlook: Inc Impact of COVID-19 - UK

“The COVID-19 lockdown will see household expenditure on energy increase in 2020. While consumption is up, wholesale energy prices have collapsed amid the pandemic. This is pushing down the cost of new deals which means households are able to make greater savings by switching to a cheaper tariff. This would ...

Construction: Inc Impact of COVID-19 - UK

“For many construction sectors the impact of COVID-19 is likely to be temporary, if severe, but the areas of office and retail construction are likely to have major long-term negative impacts from more permanent changes to lifestyles. Warehouse construction on the other hand is likely to have a long-term boost ...
