B2B Economic Outlook - UK

“One of the biggest challenges facing the economy is a surge in inflation. Rising inflation was widely expected to be transitory when global economies reopened in 2021. However, the conflict in Ukraine sent energy prices spiralling, which has raised long-term inflation expectations and increased uncertainty about the post-COVID-19 economic recovery ...

Courier & Express Delivery - UK

“Companies who reconfigured their supply chains after experiencing major disruptions and significant delays in deliveries over the pandemic will be best placed to benefit from new purchasing and delivery habits. More providers will reduce their dependency on overseas suppliers, instead relying on local vendors and inventories, which will strengthen local ...

Legal Services - UK

“Legal services providers will continue to face competitive pressures, driven by new entrants, alternative providers, rapidly evolving technology, new business models, changing client buying patterns and new ways of working.

With alternative legal services providers, most notably the Big Four, gaining in client favourability, traditional firms need to demonstrate their ...
