

March 2011

Motor Insurance - UK

The personal motor insurance sector has been subject to considerable change over the last 12 months. After many years of intense competition and downward pressure on premiums, insurers have reacted by raising premium rates across the market.

February 2011

Travel Insurance - UK

This report looks in detail at the travel insurance sector and the issues and challenges currently affecting the market. The report examines the factors that influence the market, such as people's holiday trends, as well as wider external factors like PDI and the ageing population. Alternative products such as the ...
