Luxury Beauty Consumer - US

"Luxury beauty brands find acceptance among most women, with broad use across demographic lines. While luxury often roots itself in iconic brand identities, the luxury beauty consumer continues to evolve. This necessitates that makers and marketers align with more modern perceptions of luxury, such as clean ingredients, ethical sourcing and ...

Men's Personal Care - US

"The men's personal care market, currently valued at more than \$4.4 billion in annual sales, has been growing steadily since 2014. This growth is largely driven by men's interest in personal hygiene essentials such as shampoos and deodorants. As traditional gender norms continue to shift, promoting themes of beauty ...

Color Cosmetics - US

"The color cosmetics market is highly dependent on new product development, as inspired by trends in fashion and beauty. In 2019, total US retail sales for the color cosmetics market is expected to exceed \$11.1 billion. Most recently, as innovations in lower-priced offerings have gained traction, a slowdown in ...

Bodycare and Deodorant - US

"The bodycare and deodorant market continues to experience slow, yet steady sales growth, reaching \$6.5 billion in total 2019 retail sales, an increase of 3.4% from 2018. Incorporating added benefits or unique formats typically found in facial skincare into bodycare can help brands boost engagement and sales. Deodorant ...

Consumers and the Economic Outlook Q3: A Look at Both Sides - US

"A lot of coverage has been given to the growing divide between political views in the US. While there may be cultural and moral differences that cause fundamental shifts in beliefs, some underlying concerns, specifically financial ones, are more similar than different. However, if a consumer's personal belief system aligns ...
