Soft Drinks Review - UK

“The soft drinks market has faced a challenging period as sugar has come under public spotlight since 2014. These drinks have, however, retained a substantial place on consumers’ menus. The significant challenge ahead is how to respond to the current scrutiny of single-use plastic packaging, in terms of both government ...

Bottled Water - UK

“Out-of-home consumption underpins much of the usage of bottled water, but the market is at risk from people opting more for filling bottles with tap water. Efforts to reduce sugar have helped sales of bottled water, but concerns about plastic waste could dampen future growth.”

– Richard Caines, Senior ...

The Leisure Outlook - UK

“Consumers spent cautiously over the Christmas and New Year season of 2018/19 despite having money left at the end of the month. Yet the promise of spring looks strong, partly due to people’s plans for the coming quarter, which should help the leisure sector rebound from the recent lull ...

February 2019

Consumers and the Economic Outlook - UK

“Concern over the impact of Brexit is more severe than at any other time since Mintel stated tracking this measure, including the initial shock in the immediate aftermath of the vote. Theresa May’s withdrawal agreement was the first glimpse of anything resembling certainty since Article 50 was triggered in March ...

Online Grocery Retailing - UK

“Online grocery is still one of the fastest-growing channels of the grocery retail sector, but growth slowed for the third consecutive year in 2018. The number of users is plateauing as retailers struggle to engage new customers onto services that are still predominantly targeting big-basket shops in a period where ...

Specialist Food and Drink Retailers - UK

“Specialists have enjoyed two years of growth, helped by high inflation in 2017 and a return to growth in real wages in 2018. However, growth is forecasted to slow in the coming years and cost and convenience continue to be barriers to usage. Therefore it is important that specialists look ...

January 2019

Cider - UK

“Barrel-aged ciders appeal particularly to over-55s, making these variants a promising means for companies

Alcoholic Drinks Review - UK

“Drinks makers are continuing to cater to consumers moderating their alcohol intake through a raft of low/no-alcohol versions, ensuring that they can keep buying into the market even as they seek to curb their drinking.

“Related to this desire to drink less, some consumers are looking to choose higher-quality ...

Drink - UK

to maintain engagement among older consumers. As well as tapping into quality associations around longer ageing, these products would also offer a less sweet flavour profile, which is likely to be particularly welcome to older people ...
