### Healthy Dining Trends - US

"Health is becoming less of a section on a menu and is gradually becoming an overarching lifestyle experience at restaurants. As restaurants continue to use claims focused on real, natural food the overall health message is becoming less about what you can't have, and instead is focused on creating a ...

### Fast Casual Restaurants - US

"With a lot of restaurant segments shifting away from some of their core foundational features, fast casuals continue to find success by focusing on quality ingredients and premium dishes in a convenient, affordable setting. However, with new segments, from retail to food halls, providing competition as well as opportunities, fast ...

### Full Service Restaurant Trends - US

2016 for FSRs (full service restaurants) was characterized by rising prices, same-store traffic decreases, competition from LSRs (limited service restaurants), and the bankruptcy of some high-profile restaurant groups. Despite these challenges, FSRs continue to shape what and even how consumers eat. The future may not be clear for many large ...

### Convenience Store Foodservice - US

"The c-store (convenience store) foodservice market is marked by two distinct consumer types. One group includes frequent c-store customers. These consumers value variety at c-stores and generally have very positive views surrounding c-store foodservice offerings. The other group are infrequent consumers who typically only purchase one or two items and ...

### Seasonal Dining Trends - US

"Seasonal is a term with a clearly defined meaning associated with it; however, a more subjective and emotional aspect of seasonal is becoming equally important in foodservice. As restaurants continue to find a balance of how seasonal fits into their overall menu, consumers are paying closer attention to the details ...
