### Convenience Stores: Inc Impact of COVID-19 - UK

“The shift to localised shopping during the peak of COVID-19 will have benefited the convenience sector, driving larger-basket demand and sales as consumers necessarily shopped more in their local communities. Longer term the importance of c-stores within these communities will only be reinforced, presenting opportunities for convenience retailers to tap ...

### The Impact of COVID-19 on Food and Drink - UK

“The pandemic has created huge challenges for the food and drink industry, but it has also been the catalyst for huge opportunities. These are both immediate with many businesses thriving from agilely adapting to new consumer needs and in the long-term as the crisis will leave a number of lasting ...

### Drinks Packaging Trends: Inc Impact of COVID-19 - UK

“With the COVID-19 crisis monopolising the nation’s attention and media coverage, the plastic waste issue has fallen off the radar to a certain extent. However, while immediate concerns around packaging waste will have taken a back seat for many, a quarter of people reported that the environment had become a ...

### Bottled Water: Inc Impact of COVID-19 - UK

“The loss of high-value impulse occasions during the COVID-19 outbreak in 2020 has severely disrupted the bottled water market. The market faced scrutiny prior to the outbreak as the nation has looked to combat plastic packaging waste. The economic downturn adds to its woes, further boosting the appeal of tap ...
