Food and Drink Packaging: Inc Impact of COVID-19 - UK

"COVID-19 resulted in plummeting demand for packaging in the foodservice and hospitality sector, but this was partly offset by a shift to in-home consumption and a surge in demand from food and drink into retail. While the pandemic has shifted demand and disrupted supply chains, the food and drink packaging ...

Facilities Management: Inc Impact of COVID-19 - UK

"The overall impact of COVID-19 has been significant on the facilities management sector, though the wide range of services offered and the varied client base have resulted in different sectors being impacted at very different levels. Some COVID-19-related public sector contracts have partially offset major reductions in other sectors, some ...

Manned Security: Inc Impact of COVID-19 - UK

"Manned security services' essential role in protecting businesses from crime has helped reduce the impact of COVID-19 on market value. However, the pandemic's effect on businesses nonetheless poses a significant barrier to growth, particularly in the cash-in-transit segment.

A budding digital revolution in the sector will help address this, opening ...

Logistical Services: Inc Impact of COVID-19 - UK

"Whilst the disruption caused by the pandemic continues, it is vital that logistics companies continue to focus on enabling end-to-end visibility, remain flexible in terms of processes, and collaborate with other industries to support their customers whilst anticipating further disruptions and mitigating the extent of these impacts upon supply chains ...

Estate Agents: Inc Impact of COVID-19 - UK

"The extensive support for businesses and workers in response to COVID-19 has so far limited the virus' impact on the UK property market. Whilst the industry is also challenged by both economic and political uncertainty with regards to Brexit, demand for property has held up well.
