B2B Economic Outlook - UK

“With time running out for the government and the EU to agree to a deal, the uncertain environment has led to many companies holding back on risky investments to ensure that their short-term objectives are able to be achieved alongside any adverse market impacts that follow Brexit.”

– Lewis ...

Commercial Banking and Finance - UK

“With regulation and new entrants disrupting the commercial banking sector, mainstream banks must decide the role they want to play heading forward. Banking players that succeed will put the retention of their client interface and providing higher levels of client value through customised and tailored services at the top of ...

Accounting and Financial Management - UK

“Ongoing uncertainties surrounding Brexit will continue to impact business and investor confidence, with many companies delaying decisions while they wait for greater economic clarity. These factors are a cause for concern in the accounting and financial management industry as a potential slowdown in business investment and UK economic growth would ...

January 2019

B2B Insurance - UK

“The insurance supply landscape has started to change, with insurers needing to operate in a way that serves both their distributors and reinsurers and capital providers. Larger insurance groups need to be proactive in tackling rising costs and continue to innovate to create new platforms and products that meet demand ...
