

December 2015**Consumer Attitudes Towards
Lunchtime Food and Drink -
Canada**

"Depending on whom one is, expectations around lunch vary. While sandwiches remain the stalwart food of choice at lunch due to their flexibility and ease of use, what consumers expect from their lunches varies based on their age, gender or ethnicity."

November 2015**Consumer Attitudes Towards
Private Label Food and Drink -
Canada**

"Nearly all grocery shoppers indicate that they include private label in their shopping baskets and store brands enjoy strong quality perceptions among a segment of consumers. Millennials (18-34-year-olds) are particularly strong advocates of private label, suggesting an area of focus to support growth."

October 2015**Wine - Canada**

Canada's wine industry has experienced growth in value and volume sales in recent years supported by an aging population and a general willingness to spend on quality wines. That said, consumer feedback suggests areas of prospective focus in order to build on the category's success such as the perception of ...
