Laundry Detergents - UK

“Continued reduction in household spend on laundry detergents has strengthened an association between value and low price, which brands need to address if they are to see growth return. Promoting how developments can save money in the long term, or that expand on the theme of convenience, could encourage interest ...

Consumers and the Economic Outlook: Quarterly Update - UK

"The snap election clearly unsettled consumers. All three of our measures of sentiment fell between April and May. And the inconclusive result means that there was no immediate bounce in confidence post-election. Instead, our data shows that people were even more concerned after the results were announced than they were ...

Air Care - UK

“Although scent is a vital part of the air care category, many people still look towards the category for pure function: removing odours. As a result, fragrance-free products may provide a future area of growth as brands try to allay concerns over ingredients, and reduce discouraging factors such as scents ...
