Consumers and the Economic Outlook: Quarterly Update - UK

"Consumer sentiment has remained strong, reflecting growing real wages, low unemployment and, as yet, the absence of any major economic upheaval post-EU vote. When it comes to the impact of the vote, people are relatively positive about the big-picture issues such as the UK's economic growth, and most feel ...

Retirement Planning - UK

"Too many people have a negative view of retirement, with many expecting their generation's retirement to be less comfortable than both those who came before and those to follow. However, increases to minimum auto-enrolment contributions are likely to show many that they could afford to save more, hopefully prompting above-mandated ...
