Consumers and the Economic Outlook: Quarterly Update - UK

"Mintel's key measures of consumer confidence show that people are still wary. Although the improvements in sentiment that accompanied the end of the income squeeze have been sustained, 2015 has been a year of consolidation, rather than one of soaring consumer spirits. Earlier in the year, the election added ...

SIPPs - UK

"The new pension freedoms, introduced in April 2015, will encourage growth in SIPPs, in both the accumulation and decumulation stage. However, to fully capitalise on this opportunity, operators will need to promote the benefits of investing in a SIPP more widely, including among the mass market, and have the economies ...
