September UK Retail Briefing - UK

"Consumers are increasingly comfortable shopping online for jewellery and watches — more so since the pandemic — and are much more likely to make high-ticket purchases online than five years ago, despite the reopening of stores. Leading players in the market such as Bulgari, Tiffany & Co and Swarovski are ...

August UK Retail Briefing - UK

"Over half (51%) of shoppers use a smartphone to buy fashion online, with usage rising among all age groups in the last two years, becoming the favoured method of buying online among Gen Zs and Millennials. These young generations are also more likely to shop via a retailer/brand's app ...

August 2022

July UK Retail Briefing - UK

"The main story over the coming year in furniture, as with wider retail, is of mounting uncertainty, with a near-perfect storm of inflation, supply chain disruption and the ongoing conflict in Ukraine. These pressures have already hit consumers, limiting expenditure and exacerbating already polarised demand, with this expected to continue ...
